

# The Kananaskis Clear-Cut Calendar 2008

*'Inspired' by Ted Morton  
and the Alberta Conservatives*

**T**his calendar has been produced by **SaveKan**, a group of concerned citizens who want to preserve the beautiful Kananaskis. The black areas in the map above illustrate where clear-cutting will take place under Ted Morton’s logging program, and the following pages contain photographs that show the devastation of clear-cutting. If Morton’s logging program goes ahead as planned, our children will be left with 800,000 acres of this in the eastern Kananaskis. It will not grow back in their lifetimes.

The first goal of **SaveKan** is to stop the clear-cutting of the east Kananaskis. The second is to create a park that will continue to provide a rewarding experience for all its users, yet still contribute to a secure water supply and a stable, natural habitat for wildlife. **We need your help. Write letters, make phone calls, send emails, tell your friends. Contact us.**
